## **Student Completion Plan**

The following chart can be used for planning purposes. You may elect to take two courses every 7 weeks, one course every 7 weeks, or adjust your schedule depending on when you can more or fewer classes.

Students who take two courses every 7 weeks can complete in one year (14 months).  
Students who take one course every 7 weeks can complete in two years.

Start with your first semester and set a plan for the completion of your master's degree.
