

Worcester State University Bachelor of Science in Psychology Teach-Out Plan

For Becker College Undergraduate Psychology Students

CURRENT BECKER COLLEGE SECOND-YEAR STUDENTS

Current second-year Becker College Psychology students who will achieve junior status by the end of the spring 2021 semester in good academic standing are guaranteed enrollment in the Worcester State University Psychology program at the junior level. The following teach-out plan is specifically designed for current Becker College second-year students who will enter the Worcester State University Psychology program at the junior level. Satisfactory completion of the Becker College first- and second-year curricula in Psychology will guarantee students 62 credits in transfer to WSU. Students will then follow the following degree requirements and timeline to finish their degrees at Worcester State University.

Notes:

- All students will have their transcripts reviewed; as a result, individual students may be handled on a case-by-case basis.
- Please see the listing of Psychology major requirements at the end of this document.
- Students must satisfy major electives in four of five curricular areas, per the university's Academic Catalog.
- Three 300-level/400-level Psychology courses in students' plans of study must be taken at Worcester State University.
- Students are required to meet with their department advisors to review upcoming semester academic choices. A minimum of 120 credits is required for graduation.

Worcester State University Bachelor of Arts in Psychology
Major Curriculum Requirements

The Psychology major requires successful completion of 12 courses in Psychology. Four of these courses are specific core requirements; four are from specified areas and the remaining four are electives. At least three courses (nine credits) must be at a 300 and/or 400 level, and all three courses must be taken at Worcester State University. The minimum of 37 credits must include the following four core courses:
