

## Worcester State University Bachelor of Science in Public Health Teach-Out Plan

### For Becker College Undergraduate Health Sciences Students

#### CURRENT BECKER COLLEGE FIRST-YEAR STUDENTS

Current first-year Becker College Health Sciences students who will achieve sophomore status by the end of the spring 2021 semester in good academic standing are guaranteed enrollment in the Worcester State University Public Health program at the sophomore level. The following teach-out plan is specifically designed for current Becker College first-year students who will enter the Worcester State University Public Health program at the sophomore level. Satisfactory completion of the Becker College first-year curriculum in Health Sciences will guarantee students 32 credits in transfer to WSU. Students will then follow the following degree requirements and timeline to finish their degrees at Worcester State University.
