INTRODUCTION

Mission and Core Values

Mission

Worcester State University champions academic excellence in a diverse, student-centered environment that fosters scholarship, creativity, and global awareness. A Worcester State education equips students with knowledge and skills necessary for lives of professional accomplishment, engaged citizenship, and intellectual growth. As a public institution, Worcester State University embraces the belief that widespread access to high-quality educational opportunities is the cornerstone of a democratic society.

Core Values

Members of the Worcester State community share the following core values:

- **Academic Excellence:** We are committed to providing opportunities to excel in a close-knit learning environment characterized by distinguished faculty, excellent teaching, and creative linkages between classroom learning and real-world experiences.
- **Engaged Citizenship:** We are committed to promoting community service, social justice, the democratic process, environmental sustainability, and global awareness to prepare students to be active and informed citizens.
- **Open Exchange of Ideas:** We are committed to inviting and considering the most expansive range of perspectives in teaching and learning, in scholarly and creative work, and in the governance of a complex, diverse institution.
- **Diversity and Inclusiveness:** We are committed to being an inclusive community in which our diversity enhances learning for all and in which people from all cultures and backgrounds have the opportunity to participate fully and succeed.
- **Civility and Integrity:** We are committed to respecting the dignity of all members of our community and to demonstrating this commitment in our interactions, decisions, and structures.

Accreditation

Worcester State University is accredited by the New England Commission of Higher Education (NECHE). NECHE is the regional accreditation agency for colleges and universities in the six New England states: Connecticut, Maine, Massachusetts, New Hampshire, Rhode Island, and Vermont. Three institutions in Greece, three in Switzerland, two in Lebanon, and one in Bermuda, Bulgaria, and Morocco, respectively, are also affiliated with NECHE.

Accreditation is an expression of confidence in the institution's purposes, performances, and human and financial resources. The goals are effectiveness, improvement, and public assurance. Unlike popular magazines, this does not involve ranking institutions but rather establishes a level of acceptable quality for all accredited institutions, while respecting the unique missions of the institutions involved.

The following programs are also accredited by their respective professional organizations:

- **Chemistry**
  - American Chemical Society (ACS)
- **Education**
  - Association for Advancing Quality in Educator Preparation (AAQEP)
- **Nursing**
  - Commission on Collegiate Nursing Education (CCNE)
- **Occupational Therapy**
  - Accreditation Council for Occupational Therapy Education (ACOTE)
- **School Psychology**
  - National Association of School Psychologists Accreditation Board (NASP)
- **Speech-Language-Hearing Sciences (master's program)**
  - Council on Academic Accreditation in Audiology and Speech-Language Pathology of the American Speech Language-Hearing Association (CAA)

Data Notes and Accessibility

Reporting Timeframe

Data are current as of the fall census date of the current academic year unless otherwise indicated. Academic Year (AY) and Fiscal Year (FY) are labeled where applicable.

- Academic Year: September 1 – August 31.
- Fiscal Year: July 1 – June 30.

Definitions

Definitions generally align with standards established by the Integrated Postsecondary Education Data System (IPEDS), unless otherwise noted.

Retention & Graduation Rates

Rates are calculated using first-time, full-time, first-year cohorts adjusted for allowable exclusions (death or military service). Retention rates use adjustments through the second year, while graduation rates use adjustments through the sixth and eighth years, respectively.

Accessibility

Worcester State University is committed to providing accessible and inclusive information. This Factbook has been designed to support accessibility through structured headings, accessible tables, and descriptive text alternatives and linked data tables for all figures.

If you encounter any accessibility barriers or require this information in an alternative format, please contact the Office of Institutional Research (ir@worcester.edu).
